MOTION TO STAY**

TRUEMAN PARISH, *et al.*,

Plaintiffs,

v.

DAN AVIDA, *et al.*

Defendants.

and

ELECTRONICS FOR IMAGING, INC., a
Delaware Corporation

Nominal Defendant.

No. C-07-0698 EMC
(Related cases)

(Consolidated case with C06-7274EMC)

1 Plaintiffs have moved the Court to stay the proceedings in the above-referenced cases in
2 favor of *City of Ann Arbor v. Electronics for Imaging, Inc.* (DE CH CA2797-VCL), a similar
3 derivative action pending in the Chancery Court of Delaware. Plaintiffs contend that a stay is
4 appropriate because the above-referenced cases raise important questions of Delaware law that are
5 more appropriately and efficiently resolved by the Delaware courts. Defendants have submitted a
6 statement of nonopposition to Plaintiffs' motion to stay.

7 Because the parties have effectively stipulated to a stay of proceedings, the Court hereby
8 **GRANTS** Plaintiffs' motion to stay. All proceedings in this case -- including the briefing and
9 hearing on Defendants' motion to dismiss -- are stayed until further order of the Court. The parties
10 are ordered to file a joint letter within six months of the date of this order to update the Court on the
11 proceedings in the state court.

12
13 IT IS SO ORDERED.
